2 of 2 review helpful Lovely photographs great ideas By Cynthia White I don t remember these notebooks when they first appeared 10 years ago at this writing but I m glad to have discovered them now I am so inspired by Carolyn s beautiful gardens and with her ideas don t feel that it s all that out of reach for me to achieve something similar although on a less grand scale There are 4 books all together The Notebook A seasonal scrapbook of gardening methods recipes and tabletop designs Hands on workbook format with pockets for clippings and graph paper for plans

Tips on holiday festivities and decorating ideas with pages for notes Full color instructions to creat magnificent bouquets from the summer garden Lists of favorite perennials and annuals for grow your own arrangements com Good intentions tend to bloom and fade like a perennial next year you ll dig up the border by the front walk and install those delphiniums you ve always wanted next year you ll put up those abundant tomatoes so you can savor them during the depths of
