1 of 1 review helpful Very interesting and informative By myrtleurtle I loved this book It s very interesting and the author put in a lot of effort to make the information accessible That is it s a very academic book but it reads like a

novel I learned a lot and want to continue reading his other books My only criticism is that the chapters on non Western civilizations especially Africa and the Americas are a lot sh The latest installment in the New York Times bestselling Don t Know Much About reg series a magical journey into the timeless world of mythologyIt has been fifteen years since Kenneth C Davis first dazzled audiences with his instant classic Don t Know Much About reg History vividly bringing the past to life and proving that Americans don t hate history they just hate the dull textbook version they were fed in school With hum From Publishers Weekly Starred What is a myth How does it differ from legend fairy tale and allegory Do myths cross cultures Davis Don t Know Much About the Civil War answers these and many other questions with his characteristic humor and
