0 of 0 review helpful Not as good as I hoped By Todd A lot of common phrases but the color one would expect seems to be drained from the book There are some good definitions some very interesting I had a hard time reading the font of the book even with my reading glasses 0 of 0 review helpful You might as well be reading a text book By S Gast You might as w Have you ever wondered about the origin of son of a gun flotsam and jetsam or hunky dory You ll find the nautical derivation of these expressions and more than 250 others in this collection of nautical metaphors and

colloquialisms In addition this book includes thought provoking and entertaining examples of these words drawn from literature movies and song and contains sections of legends of the sea and weather lore Fascinating reading for sailors and lang From Library Journal Isil s lifelong fascination with sea lore has led her to produce this compendium of nautical metaphors and colloquialisms that have washed ashore into modern speech However the book doesn t always run on an even keel as even Isil hers
