2 of 2 review helpful Confusing By Kukiwmm Details are for 1st edition which is 184 pages with 130 deities but cover

image is for 2nd edition which is 188 pages and has 150 deities book received was 1st edition Otherwise quality is excellent 1 of 1 review helpful its a good read By vampire28 Lacks some info but still pretty good 4 of 5 review helpful Gods and Goddesses organizes the most significant deities of every major world tradition in one lush illustrated volume arranging the entries by their individual realms of influence such as those that represent good and evil heavens and the earth love and fecundity war and peace or prosperity and home life
