knowledge experience lesson and Any Child Can Write:

1 of 1 review helpful Inspiring Resource By Renee Frahm This book has some great ideas for inspiring children to become interested in the written word I purchased this as a teacher resource alongside another curriculum and it has helped me understand how to approach writing and reading from a written word perspective rather than just alphabet and phonics based instruction Recommended reading for parents and t Harvey S Wiener shows how parents can encourage their children to write with a home program that can be used from preschool through high school Beginning with the building of attitudes Wiener moves through simple varied and practical experience with the written word By setting up an atmosphere in the home that encourages creative written expression coupled with a parent s guidance in writing children gain an outlook on writing that builds confidence in their abili From Library Journal Notable for a positive upbeat tone and readable informal style these books by the author of several other titles on language skills will motivate even inspire parents to supplement and enrich their children s learning experiences Unl
