**By Jan Knappert : African Mythology: An Encyclopedia of Myth and Legend** abebooks african mythology an encyclopedia of myth and legend 9780261666535 by jan knappert and a great selection of similar new used and collectible books get this from a library african mythology an encyclopedia of myth and legend jan knappert African Mythology: An Encyclopedia of Myth and Legend:

6 of 7 review helpful Reader s Digest level By David Adams An alphabetically arranged hodgepodge of topics about African Mythology Not an academic work of little value other than as a Reader s Digest sort of anecdotal musings on each topic It might be fun for some people but totally worthless to a serious student of mythology No credits given no footnotes and a terribly thin bibliography

## **african mythology an encyclopedia of myth and legend**
