By Christopher Collins : Homeland Mythology: Biblical Narratives in American Culture homeland mythology biblical narratives in american culture christopher collins on amazon free shipping on qualifying offers since 911 america has 28072007nbsp;homeland mythology has 4 ratings and reviews since 911 america has presented itself to the world as a christianist culture no less antimodern and n Homeland Mythology: Biblical Narratives in American

Culture:

Since 9 11 America has presented itself to the world as a Christianist culture no less antimodern and nostalgic for an idealized past than its Islamist foes The master narrative both sides share might sound like this Once upon a time the values of the righteous community coincided with those of the state Home and land were harmoniously united under God But through intellectual pride read science and disobedience read human rights this God blessed homelan
