2 of 3 review helpful Beautiful photos and much more By Jess KG Rick s book is wonderfully comprehensive and has

great illustrative photographs The prose is honest personable and not confusing This book has been instrumental in opening my eyes to the beautiful and diverse world of ornamental grasses and I believe it will help to many a gardener in the processes of selecting and caring for ornamental grasses 0 o This first edition hardcover is in pristine condition Ships within 24 hours in bubble wrap Remember grasses are the only thing deer don't eat
