3 of 3 review helpful A Great Rant I Loved It By Carl E Johnson Jr Although the book is almost 20 years old only recently did I come across Art Restoration by the late art historian James Beck with Michael Daley Beck delves into the art restoration business pointing out what he believes to be a scandal of desecration of classic works of art via restoration What I love about the book is that Beck pulls no pun ldquo The book is fair It attacks not restorations which is sometimes necessary sometimes admirable but insensitive restoration and lsquo phoney rsquo discoveries rdquo Times of London Higher Education Supplement The world rsquo s art heritage is under attack from the very people charged with its preservation argues this important book which has ignited controversy among art historians curators and restorers In the worl From the Back Cover This book deals with one of the most important and contentious issues in the world of fine art Starting in the 1970s a mania has developed for restorations of works of art London s National Gallery first in this field by several decades
