1 of 1 review helpful beautiful flower book By Jhos2 I bought this book as a gift for a flower loving friend Even though she is not particularly into roses it was such a beautifully illustrated and interestingly annotated piece that it was a real success I just might get one for myself It makes a great small coffee table book as each easily read

description can be finished in just a few minutes Its a truly wonderful li Would a rose by any other name smell as sweet Shaped like a miter rsquo s cap or delicately hued like the pearl colored petticoats of a duchess scented like honeyed almonds or nodding heavily in the wind every old fashioned rose possesses a unique character And their names ndash often drawn from history and mythology ndash have stories as enchanting and evocative as the flowers themselves This gorgeously photographed collection of fifty exquisite ros About the Author MOLLY GLENTZER is the lifestyle editor of the Houston Chronicle and has written for Saveur Food Wine and Good Housekeeping Photographer DON GLENTZER rsquo s work is represented in the permanent collections of the Muse
