**By Manfred Lurker : A Dictionary of Gods and Goddesses, Devils and Demons** dictionary of gods and goddesses devils and demons manfred lurker on amazon free shipping on qualifying offers download and read a dictionary of gods and goddesses devils and demons 2nd completely rev ed credit derivatives and synthetic structures a guide to instruments and A Dictionary of Gods and Goddesses, Devils and Demons:

29 of 30 review helpful Thick but Shallow By Joel The number of entries is impressive The articles themselves are often too short and do little to convey the richness of the literary heritage these figures represent or their place in their original cultures The appendix in the back of the book linking the different gods to their functions is helpful but sometimes there are bothersome errors like Lurker s insistence t Containing around 1 800 entries this Dictionary covers in one volume all the important deities and demons from around the world The gods of ancient mythology appear alongside the gods of contemporary religion and lesser mythologies and religions are also fully covered The author provides an extensive network of cross references allowing the reader to draw cross cultural comparisons The Dictionary will be an invaluable source of information for Language Notes Text English German translation
