0 of 0 review helpful Good Book for the Computer Challenged By Andrew Brewer Google no doubt rules the world of information these days I actually got the Book for it s cover since my name is Brewer It surely contains a wealth of

knowledge Focusing on the English of the twentieth and twenty first centuries this volume contains more than 7 500 entries reflecting the richness of modern linguistic culture This highly browsable encyclopedia covers such diverse topics as catch phrases buzzwords slogans idioms modern cultural references and characters from film TV and literature From Harry Potter to Posh and Becks t I can t remember when I last learnt quite so many different things from one book Craig Brown Mail on Sunday peerless Brewer s has kept ahead of the game by compiling this marvelous compendium It has captured the flavour of the past 100 years
