4 of 4 review helpful I adore this book By AvidRomanceReader It s a terrific overview of many many different cultures and religious systems Note that I said overview no one book can go in depth in each and every culture s myths and traditions There is still quite a lot of information here and gorgeous photos too It weighs about half a ton and is

definitely worth lugging around 1 of 1 review helpful A magnificent introduction to the greatest myths and cultures in history from Egyptians to Vikings Also includes the rich and complex mythologies of India and the Far East Sumptuous illustrations and photographs show the Ancient World in all its splendor
