11 of 11 review helpful The words are as beautiful as the photos By Wayne Barnes The words are as beautiful as the photos of the gardens It makes you want to go out and plant a garden this moment This is one of my favorite gift books I have copied some of the words and keep them on my computer for quiet moments or to send to someone in an email A perfect book I never tire of reading through it 1 of 2 review help An elegant deeply intelligent meditation of human sensuality and the pleasures of the garden this is one of the most original gardening books ever produced A

leading garden expert and science broadcaster celebrates the intoxicating sights sounds smells tastes and textures of the natural world 200 full color photos com The Oxford English Dictionary defines sensuous to mean affecting the senses especially aesthetically and Montagu Don s The Sensuous Garden provides a gardening ideal for all five senses or six if you count intuition to wallow in How often
