18 of 18 review helpful Exactly the same book as Encyclopedia of Roses by the Royal Horticultural Society By MAZ It is not a bad book as reference but is exactly the same book as Encyclopedia of Roses by the Royal Horticultural Society of England It is just two different covers It should have been mentioned somewhere so that I would have bought only one book because I have ended up buying both and there is not a sing Featuring over 2 000 of the world s

best rose species and cultivars the Encyclopedia of Roses is being presented in a new format and with a new jacket Each entry is illustrated with a full color photograph and describes the rose s growing habit cultivation needs and breeding as well as explains the origins of its unique name
