2 of 2 review helpful Wow Seriously everything you ever wanted to know about gardening By A Shaffer I realize this

BIG book is probably just an overview for people who have been gardening for years but for a beginning gardener it's fantastic. Lots of great information, tips, ideas. I thought I was buying a book on vegetable gardening but while that's thoroughly covered, there's also TONS of information on flower gardens. God almighty first planted a garden and indeed it is the purest of human pleasures. Sir Francis Bacon. National surveys show that gardening has become the most popular, least exclusive hobby nationwide. From the balconies of Manhattan to the patios of Malibu to the backyards of Chicago, anybody with a few square feet of earth is doing their best to make their little corner of the world more gracious and beautiful. And the best thing is you really can. From the Back Cover: Seven books in one deliver the dirt on gardening success. Your one-stop guide to a beautiful garden—no experience required. Puzzled by pruning? Anguishing over landscaping? Can't tell a hosta from a hyacinth? Don't worry.
