## Women's Encyclopedia of Myths and Secrets:

2 of 2 review helpful A must have reference book in every thinking and feeling man and woman s library By blummusic If you care to know where much of the imagery and some of the stories in the bible and many other contemporary religions originate don t look any further than this voluminous reference work by Barbara G Walker This is the third book I bought and gave away to women friends who all love it It details an Barbara Walker s The Woman s Encyclopedia of Myths and Secrets HarperCollins 1983 is an extremely valuable reference based on the author s wide reading in folklore and mythology It documents entry by entry the fate and historic distortion of matriarchal religion by triumphant patriarchy in the last few thousand years and makes sense of many of the seemingly senseless customs and rationalizations of creeds and beliefs of our major religions and our folkloric tradit
