1 of 1 review helpful I really enjoy this book By rod shartzer I really enjoy this book it has help into the research I finally brought it the library got tired of telling me bring back our book I joke about that part Now i can write my little note everywhere in it 2 of 2 review helpful Excellent resource By donald l hitt The books were used in conjunction

with Throughout history humans have pondered the question of their existence In nearly every society part of the answer has included some form of god or goddess For the Mayans one such deity was Ajtzak who tried to create humans from wood for the Yorubas of Africa Shango controlled the thunder and lightning The Chinese of the Shang dynasty era worshipped Shang Ti Evil deities were also part of the answer as in the case of the Kuvera the Hindu chief of evil in the many little known gods from obscure mythologies are included a valuable resource Library Journal many more entries than the competition Academic and large public libraries in need of resources on this topic should purchase this work Boo
