Among the world's myriad cultures and their associated calendars the idea of a New Year is relative and hardly specifies a universal celebration or even a universal point in time. Ways of celebrating the New Year range from the observances of religious rituals and superstitions to social gatherings featuring particular foods, music, dancing, noisemaking, fireworks, and drinking. This first encyclopedia devoted exclusively to the New Year includes 320 entries that give From Booklist The New Year's holidays do not signify specific points but rather celebrations of new beginnings according to author Crump.
