By Deni Bown : Encyclopedia of Herbs & Their Uses editions for encyclopedia of herbs and their uses 0789401843 hardcover published in 1995 0751302031 unknown binding published in 1995 1405300590 ha this most authoritative work on the subject of herbs contains more than 1500 color photos of herbs found both in the wild and in cultivation accompanied by a Encyclopedia of Herbs & Their Uses:

3 of 3 review helpful Okay so I love the book and the condition is wonderful By Heidi Okay so I love the book and the condition is wonderful The only thing and I saw this mentioned a few times before is that the herbs are listed by scientific name so it s a bit difficult to find information in a hurry but it s a great resource for any herbalist to have on

hand The common names of plants are all listed in the index at The most authoritative reference book available describes and pictures a thousand herbs found both in the wild and in cultivation along with tips on growing and harvesting creating a herb garden and using herbs in cooking and medicine From Library Journal A fine guide on the culinary medicinal and horticultural use of herbs The Herb Catalog section features excellent pictures and botanical descriptions of herbs the Herb Dictionary includes the history and medicinal and economic uses of he
