New Southern Living Garden Book: The Ultimate Guide to Gardening (Southern Living (Paperback Oxmoor)):

50 of 50 review helpful Not up to par I m afraid By Carolyn Mikell I have loved the last 2 editions and I love that this version has more photos but I hate the paper and fear it won t be durable enough for a reference book Also the table of contents for the Plant Finder section is inaccurate In fact there are some sections listed there that I can t find at all in my book I also would like to see an explanation for An all new revised and updated edition The New Southern Living Garden Book is THE definitive source on gardening from the brand Southern gardeners have turned to for nearly 50 years Completely redesigned and updated for the first time in 10 years the new edition features over 1 700 beautiful color photographs and over 7 000 featured plants Enhanced features include a monthly garden checklist a Q A section to tackle everyday problems and garden design s About the Author For nearly 50 years Southern Living magazine has delivered definitive Southern food decorating and gardening ideas to over 15 million readers monthly making it one of the most trusted lifestyle brands in the country A team of dedic
