2 of 2 review helpful shop manual By iatomic This is a shop manual so if you re looking into having one you most likely already know about the subject and contents Has good schematics and parts blow ups pretty good description on the internal workings of this tractor series It does not give great step by step instructions but is pretty specific on how

some of the serial number breaks effects the makeup of the machine Diesel models 4030 4230 4430 4630 Gasoline models 4030 4230
