2 of 2 review helpful Not bad at this price point By Rusted Nut Garage I have red the criticisms that the book is too

general and does not have a great amount of detail however if you want the full meal deal it will cost you about 170 and I am here to tell you that it also lacks all the details The full manual is over 1000 pages so when you put this in prospective it is a pretty good value at this price point If you Diesel Models 670 770 870 970 1070
