By Robert E. Bell : Dictionary of Classical Mythology back into ancient greek and roman mythology take me to the dictionary thus was born an etymological dictionary of classical passion for etymology define classical mythology classical mythology synonyms classical mythology pronunciation classical mythology translation english dictionary definition of Dictionary of Classical Mythology:

5 of 5 review helpful recommendable book By SEBASTIANVS This is a very interesting topical dictionary of classical mythology However most of accounts are requotations from older dictionaries or encyclopedias for example William Smith s Dictionary of Greek and Roman Biography Mythology In addition I wonder the author really read original Greek and Latin texts since there are many mistakes of sources or passages ch Great vintage book A unique and valuable reference tool Visually attractive interesting and very useful addition to almost any reference collection RQ About the Author Robert Bell Robert E Bell was formerly
