1 of 1 review helpful Working with the Faeries By S Cranow Fairies used to play a more central role in magicackal ritual Over the last several centuries their role has gotten smaller and smaller Many pagans do not have the specific

knowledge of faERIES AND who they are as did the Pagans of old Their specific identities and roles have been forgotten In many of our rituals they are reduced to mere spirits or elemental Work magick with help from the little people All over the world people have reported encounters with a race of tiny people who are neither human nor deity This book reclaims that lost rich heritage of working with faery folk that our Pagan ancestors took for granted Edain McCoy teaches how to work with faeries in a mutually beneficial way Practice rituals and spells in which faeries can participate and discover tips to help facil com Working on the idea that faeries are not merely mythological creatures or elemental archetypes but actual beings who can aid in pagan rituals and magic McCoy tells the reader where to find them how to call them or protect against them spells and rit
