0 of 0 review helpful Many Maples By Dave God book 2 of 2 review helpful Beauty and loveliness By Donna Dean There are few things more beautiful than trees and Japanese Maples are among the most beautiful Just paging through this comprehensive lovingly photographed book is to fall in love and to determine to get at least one or two or three

And with this bo This photo gallery of the best maples for garden use is a complement both to Maples of the World and to J D Vertrees s Japanese Maples since more than a third of the book is devoted to Acer palmatum including many new and unusual cultivars The photographs taken in locations in seven countries demonstrate the wonderful diversity of form color and size that makes maples so useful in gardens of every kind
