By Ted Jordan Meredith : Bamboo for Gardens bamboo garden is an oregon based nursery specializing in hardy clumping and hardy timber bamboo we ship high quality bamboo plants nationwide our website is a bamboo bamboos are very desirable garden plants they can make large clumps that are ideal as focal points or for adding structure to borders they can look Bamboo for Gardens:

1 of 1 review helpful Every bamboo gardner should have this By Bill Gonch Excellent overview of Bamboo About

half detailed information on bamboo including biology growing and propagation About half brief write ups on many common and quite a few not so common species Recommended 0 of 0 review helpful Lots of good color photos By Lois Anne Very comprehensive ref Bamboos evoke an exotic atmosphere wherever they are used unfortunately they are too often kept out of our gardens for fear of their invasive qualities or lack of hardiness In truth these elegant grasses encompassing both woody and herbaceous forms can achieve dramatic yet restrained effects in a range of climates Their uses include both the ornamental offering striking foliage and culms and the practical such as for screening or erosion control not to mention From Booklist A resurgence of interest in bamboos calls for an expert to help gardeners select appropriate plants for a given setting Meredith s approach perfectly suits this objective with engaging personal exp
