3 of 3 review helpful A good reference book By Judith Markham I do not consider this my top pick if I were to

reference a book for painting flowers However it does have some good supplemental information In my flower book collection I prefer The Watercolor Flower Painter s A to Z by Fletcher Painting Flowers A to Z by Sherry Nelson and A Z of Flower Portraits by Showell I find the pictures in these 3 books to b Painting flowers has long been popular with artists and there have been many books written on the subject What makes this book different is the author s naturalistic approach to painting The resulting watercolors are botanically correct but also show the beauty of flowers in a very real way the velvety quality of a petal the delicate colors the gloss of a leaf In this book Coral G Guest talks about how best to achieve not only the colors but also the textures a From Library Journal There are a number of good books in this genre including Ann Blockely s comprehensive Flower Painting Through the Seasons LJ 7 01 but Guest s book is among the best It s an exquisite example of botanical rendering reminiscent of the gr
