7 of 7 review helpful Wonderful comprehensive review for Mid Atlantic gardeners By aritchey I bought this for my husband a dedicated gardener He volunteers for eight hours once a week as a gardener digging in the dirt at Longwood

Gardens where the author is on the staff My husband loves the book and already it has become one of his favorite references when he is thinking about new plants to add to our own gar Large plantings of perennial flowers can cost tens of thousands of dollars in large gardens or public parks Even smaller scale designers and landscapers can t afford to guess wrong when setting up flower beds that have to look their best on cue This is the only book available to provide an authoritative deeply researched guide to flowering time for more than 450 perennial flowers No designer landscaper or public garden can afford to be without it When P Idquo Books providing detailed first hand information about perennials are a rare treat for the serious gardener and this one does so generously rdquo nbsp mdash Gardens Illustrated Idquo A book that is destined to become
