garden remedies what works what doesnt and why The Truth About Garden Remedies: What Works, What Doesn't, and Why:

3 of 3 review helpful Shining a Welcome Light on Gardening Lore By A Silverstone Jeff Gilman professor of Horticultural Science meticulously examines and then often excoriates the old wives tales of gardening In this highly informative book he looks through years of folk remedies for your gardening ills weighs the evidence in favor or against and then delivers a summary judgment that lets the reader know what will Can beer make plants grow How about buttermilk Or music classical or rock Are you sure about planting trees in deep holes And how about chasing insects with hot sauce and stopping slugs with eggshells Whether in ancient books on television or in gardening publications remedies for all your garden woes are here for the taking the challenge is to know what will work and what won t Fearlessly conducting original experiments and harvesting From Publishers Weekly With graduate degrees in entomology and horticulture Gillman brings scientific rigor to the topic of commercial homemade and traditional garden remedies Eschewing the received knowledge of garden gurus mdash albeit admitting that he
