By Lee Reich : Uncommon Fruits for Every Garden a guide to uncommon fruits and berries that add an adventurous flavor to any garden reliable in the toughest garden situations cold hardy and pest resistant book review uncommon fruits for every garden a growers guide to unusual fruit Uncommon Fruits for Every Garden:

3 of 3 review helpful This book is so cool I can't even say it enough By Sarah P This book is so cool I can't even say it enough Every new chapter I found myself exclaiming Oooh I want to grow that It is a very fun and interesting read for the gardener who has it all It also contains enough practical advice and information for an already experienced gardener to make informed purchasing decisions and get started grow Lee Reich provides a valuable guide to uncommon fruits and berries which add an adventurous flavor to any garden Though names like jujube juneberry maypop and shipova may seem exotic at first glance these fruits offer ample rewards to the gardener willing to go only slightly off the beaten path at local nurseries Reliable even in the toughest garden situations cold hardy and pest and disease resistant they are as enticing to the beginner as to the advance " Although this book is a useful how to it also provides great armchair reading for both the clarity of the prose and the intriguing background provided for the selections provides us with a fascinating opportunity to bridge the gap between
