0 of 0 review helpful Brooklyn Botanic Garden Gardener s Desk Reference By TechWizard A most comprehensive volume Anyone interested in the study or machinations of growing plants of any type would do well to have this book within reach A magnificent text 1 of 1 review helpful Fantastic Product By Alan M Casavant The seller provided a

superb product at a reasonable price The ultimate gardening reference work compiled by two dozen of the world's leading plant experts under the auspices of one of the world's greatest botanical gardens Brooklyn Botanic Garden Gardener's Desk Reference is a milestone in garden publishing the kind of groundbreaking work that appears once in a lifetime No gardening reference ever has combined this scope of information in a single volume The coverage in most gardening reference books falls into a few common Don't plan on getting a lot accomplished for the first week or so that this book is in your house It may be a reference but it behaves like a sponge sucking up any and all attention you happen to cast its way Take for example the chapter called Bot
