0 of 0 review helpful I love this book By Mr BumbleSnap I love this book The Folk Remedies are very interesting to

read They are pretty messed up but it s cool to read about what folks believed at one time Reading this book would be a great source for any writing material as well First one I bought was from Hastings back in the 90s It wore out so I bought another online Great would buy again 2 of 2 review helpfu If you re about to get on a plane what should you do and avoid doing to assure a safe flight What does it mean if you see an ambulance zoom by And is a black cat always unlucky Though we may say we don t believe in superstitions they have an unmistakable power and to be on the safe side most of us secretly knock wood don t walk under ladders and avoid opening that umbrella indoors Broken up into categories such as animals astrology dreams and flowers
