The stories of Kauai's ruling chiefs were passed from generation to generation in songs and narratives recited by trained storytellers either formally at the high chief's court or informally at family gatherings. Their chronology was ordered by a ruler's genealogy which in the case of the pua alii (flower of royalty) was illustrious and far reaching and could be traced to one of the four great gods of Polynesia: Kū, Wākea, Lono, and Kanaloa. In this About the Author Frederick B. Wichman is the author of Kauai Tales, Polihale, More Kauai Tales, Pele, Ma, and Kauai: Ancient Place Names and Their Stories.
