3 of 5 review helpful The Art and Mythology of The Da Vinci Code By T Epper Excellent book This book actually lets the reader see the places and pictures mentioned in Dan Brown s book The Da Vinci Code It really helped bring

the book to life This book is a MUST HAVE whether or not you re reading The Da Vinci Code 1 of 1 review helpful A must buy companion book to the novel The idea for this companion book to Dan Brown s The Da Vinci Code was conceived by readers who like most other readers mentally visualize the people scenery architecture and objects described in the text they are perusing It offers photographs of all the major buildings landmarks art and mythology referenced in Brown s best selling novel Whether reading the novel because it is a great mystery or because the reader is intrigued by the theological hypotheses From the Author No book in recent history has so completely captured the interest of such a wide range of the reading public For that reason I believe there will be strong interest in a volume that sheds powerful light on the great art treasures and mythol
