8 of 8 review helpful Grounds for buying By Steve Spicer I rsquo m a novice gardener with a lot of experience at being a novice As such I ve never heard a lot of these myths adding to my vast store of things I don t know about the garden Needless to say I was very happy when I first opened this book at random to find out that in my ignorance I rsquo d been doing something right all along nipping from the hip so to spea Word of mouth may be a great way to learn about some products but word of mouth gardening tips can be a very bad idea The age old practice of passing along gardening tips and tricks is no guarantee you will get a good result it might even do the opposite nbsp In her new book garden expert C L Fornari looks at 71 common garden practices and uncovers the truth behind the lore nbsp Do

marigolds keep the bugs out of the veggie patch Will rusty nails tu So if grandma s folk stories are dear to your gardening heart look elsewhere Coffee for Roses more closely examines the myths outlines the realities and provides scientifically based alternatives based on solid facts that will save time energy and mone
