month gardening in ohio month by month gardening in ohio Gardening Month by Month in Ohio:

0 of 0 review helpful Not Much Info Read It in an Hour By anonymous I was surprised when I opened this book to find a glorified fluff coffee table book It was very odd very colorful sparse just a few tips for each month Half of the book is taken up by a useless calendar and overly large pics for such a small book I was really disappointed in this though of course you can usually glean a little something from Gardening is one of the fastest growing recreational pastimes in the United States Today s gardener is looking for the right resources to yield beautiful results with a minimum amount of fuss GARDENING MONTH BY MONTH IN OHIO answers the challenge with images and information specific to the southern Great Lakes region Each month of the year opens with a beautiful two page photo spread and is followed by a perpetual calendar tips and information and plenty of space for About the Author DEBRA KNAPKE is a horticulture instructor at Columbus State Community College where she teaches courses in landscape principles herbaceous plants and specialty gardens She also has a garden design consulting business known as The Garden Sage
