By Janice Wells : The Gin and Tonic Gardener: Confessions of a Reformed Compulsive Gardener if the thought of gardening leaves you cold take heart the gin and tonic gardener is designed for those of us who would rather enjoy whatever green space we can the paperback of the gin and tonic gardener confessions of a reformed compulsive gardener by janice wells jane wells at barnes and noble free The Gin and Tonic Gardener: Confessions of a Reformed Compulsive Gardener:

4 of 4 review helpful I Enjoyed This Book And Hope To Adopt The Author s Gardening Style By Bold Consumer I laughed out loud as I read this book I like the author s healthy attitude about gardening in general and her rather unique approach to how she gets it done She teaches that there is a difference between a relaxed gardener a good thing and a slob not a good thing When I put a plant or seed in the gr The Gin and Tonic Gardener is designed for those who

would rather enjoy our gardens than be enslaved by them Weeds Janice Wells exhorts us to have another gin and tonic to obscure or at the very least help you forget those usurpers of the garden Janice Wells a well known writer and journalist uses her own garden as a laboratory for the gardening column she writes for the Halifax Chronicle Herald Though filled with humor The Gin and Tonic For every gardener who has ever enjoyed a glass of wine or other such cocktail while sitting in their back yard unwinding from a hard day s work The Gin and Tonic Gardener is a must Wells writes short stories that are humorous and full of useful tips
