Botanist-Explorers Who Enriched Our Gardens (Horticulture Garden Classic):

0 of 0 review helpful Plants have traversed the world and time to be in your garden By Jane Elmore Now it is easy to
have plants from all over the world available at your local nursery This story shows what hard work travel trials and
disease and death were involved to get new plant species back to the UK or France to catalog and propagate the time
frame is mostly 1700 1800s The men that T Whittle describe are Tales of the botanist explorers who enriched our
gardens
