garden classic christopher lloyd book The Well-Tempered Garden (Horticulture Garden Classic):

0 of 0 review helpful Informative and entertaining book for gardeners By Matthew J Mosca I remember reading Christopher Lloyd s informative and entertaining articles in the Horticulture Magazine years ago and this book is a summary of his great insights and experience It is critical of course to remember that he is gardening in England where conditions are so different from most of the United States I garden in Balti Wisdom and advice from a legendary gardener com Christopher Lloyd s love of and pride in gardening is evident in every word of this often republished gardening classic It s not an encyclopedic text as much of it is specifically applicable to Lloyd s damp English climate but as he says in his new int
