0 of 0 review helpful good book By Dr PJ Love the way this book is organized I am trying to learn botanical names of all things in my garden This is a great help 0 of 0 review helpful Awesome I ve already used it many times By

ImaPlantNerd Awesome I've already used it many times Wish it had even more Latin terms in it 22 of 22 review helpful For more than a decade gardeners have been turning to a beautiful little hardcover book called Gardener's Latin by Bill Neal Neal understood that as Latin terms began appearing with increasing frequency on nursery tags and gardening catalogs gardeners would need help So he weeded through the Latin words that describe and distinguish among plants and flowers and compiled a volume of select brief clear definitions Gardener's Latin leads us down the path from abbrevi Botanical Latin either intrigues or intimidates To the rescue whatever your bias is Bill Neal's nifty little volume Language Notes Text English Latin About the Author Bar
