0 of 0 review helpful Cool Reference By Jeff I picked this up thinking it was just another naming dictionary geared more towards my type folk What I found was something completely different in a good way It s not simply a dictionary it s a history of naming traditions and explains a great many questions I ve had about naming across different cultures I ended up finding what I needed and at a great price This is a gre Are you in search of the perfect magical name for yourself your child your house pets or business Do you need ideas for what to call your magical tools or coven Look no further With the help of this book you can find or create a meaningful and powerful name to reflect the true essence of anyone anyplace or anything nbsp The Complete Book of Magical Names is the only compilation of non biblical names and their meanings in print Written fr About the Author Phoenix McFarland British Colombia Canada describes herself as an irreverent Wiccan Priestess Ms McFarland has had many articles and poems published in Pagan publications including the column Rainforest Echoes in Hole in the Stone
