0 of 0 review helpful Reworked content Kindle problems By Judith As with other reviewers I am a fan of the Listverse books I've read both and given them as gifts So this thrown together book was a total disappointment It's just a rehash of information from his other books I can't imagine that the author spent very long writing this book He just combed through his other books and threw it together There is ev IS THAT SMART SOUNDING PERSON SPOUTING KNOWLEDGE OR ARE THEY FULL OF IT Do you want the real facts to counter and correct the steaming piles of myth and misinformation you hear all the time This fascinating collection tells exactly what you need to know so the next time you hear someone repeat one of these common falsehoods you'll be ready to call bullshit on bull Mary Magdalene was a prostitute bull Your heart Listverse.com's Ultimate Book of Bizarre Lists Jamie Frater 9781569758175 14 95 Ulysses Press 11 2010 3000 Ultimate Book of Top Ten Lists Jamie Frater 9781569757154 14 95 Ulysses Press 11 2009 9000 Listverse.c
