0 of 0 review helpful Another excellent source of the Living Dead genre By Herbert H Another excellent source of the Living Dead genre Photos and back info on films you won t see in other books A great resource if you try to go back and find some of these films and hopefully see them in tact uncut 0 of 0 review helpful Entertaining book on zombies

By Heather M V Rampaging driven killing machines Soulless and dead Infected and infectious Zombies The epidemic of the living dead is stronger than ever in today rsquo s pop culture but long before exotic viruses biological warfare and sinister military experiments brought the dead back to life in our cinemas and on our television screens there were the dark spells and incantations of the ancient Egyptians the Sumerians and the Babylonians Blending the historical with an amazing anthology that shows how zombie myths have grown throughout history and around the world A fascinating informative collection that anyone interested in the history of zombies will want to read It rsquo s funny scary and sometimes s
