1 of 1 review helpful Fun to read By Skye I enjoy reading this book The authors give nice information about why the recipes were chosen for the sabbats they are representing I really like the fact that the ingredients used are easily obtainable at any supermarket so I am encouraged to prepare these recipes home These recipes would also please guest you may wish to serve without breaking your bank I give this rec The spiritual tenets of Wicca are steeped in an inherent reverence for nature and stewardship of the environment In fact Wiccan practitioners have been living mdash and cooking mdash green since ancient times In the decade since the first edition of the The Wicca Cookbook cast its

spell over culinary history buffs and adventurous cooks everywhere many readers have asked "What makes a cookbook Wiccan?" The tenth anniversary edition answers that question "What exactly is in this elusive licorice-tinged Italian digestif? A half dozen toads, two chicken feet, one bat's ear, three hairs of a princess who knows. Like the Wicca Cookbook re-release, the spirit is oddly mesmerizing." — LA W
