Garden - Connecticut, Main:

3 of 3 review helpful Really great photos though By Kellen Has a large list of potential plants to put in the garden Doesn't quite fit my needs I was hoping for a more thorough guide on when to plant things in New England and other garden suggestions Really great photos though I may update this review after digging into the book more 0 of 0 review helpful Wonderful B New England Gardener's Handbook is written by popular gardening experts who include their collective wisdom in one complete guide for New England gardeners In addition to the hundreds of hardy plants in eleven different plant categories there are monthly to do calendars assisting gardeners with the proper care and timing for everything from planting to pruning Full color photos for each plant and helpful illustrations and charts make this an easy From the Back Cover nbsp Are you thinking about growing vegetables
