7 of 7 review helpful An Artist s View of Artist s Studios for Artists By Lesley Riley I pre ordered this book a long time ago because I knew it would be beautiful and well done Yes I know the author have even contributed to one or 2

of her books and several of her collaborative projects in the past but that does not influence my opinion of this book It was everything I was expecting and more It is a book Art Making and Studio Spaces is a visual studio tour an opportunity to turn the key and discover the inner workings of artists in their ultra personal unique workspaces The missi Once again Lynne has knocked it out of the ballpark as she shares an intimate look at the workspaces of 31 prominent artists hellip The clear and vivid photography is coupled with the artists rsquo insights into the method
