7 of 7 review helpful Great book for quick reference on any god By bubbagumper6 This is a great book if you just need to look up some quick information on a Greek or Roman god It does go into detail on some of the more important characters like Hercules but most just have a few paragraphs My main complaint is that even though it says

Greek AND ROMAN Mythology about 75 of the characters covered are Greek in origin According to many scholars ancient Greece and Rome provided the foundations of Western culture More than two millennia later myths of both civilizations are still being studied for their rich storytelling and insight into the cultures that spawned them This title illuminates the mythology at the core of those civilizations beliefs From Booklist This well received and accessible book for young adults has been updated It is part of an expanded Mythology A to Z series that also includes volumes on Egyptian 2000 Japanese 2003 and Norse my
