the Conservation of Works of Art on Paper (Readings in Conservation):

This book is the seventh in the Readings in Conservation series which gathers and publishes texts that have been influential in the development of thinking about the conservation of cultural heritage. The present volume provides a selection of more than ninety five texts tracing the development of the conservation of works of art on paper. Comprehensive and thorough the book relates how paper conservation has responded to the changing place of print. The book ably sets out and succeeds in establishing the antecedents of modern conservation practice and sets the milestones for on going study. Icon News.
