51 of 52 review helpful Fun look up book By M Arnold I bought this book for my son age 9 after reading the first

Percy Jackson book My son wanted to learn more about the Olympians and the Greek Gods I gave him the book after school and he immediately started to look through it He spent the next half hour reading choosing the book over his video games He really enjoys the book and the colorful cartoons are fun an Annotated illustrated Table of Contents Introduction explains the origins of mythology how we learned the stories and why myths matter today A Z Hall of Fame features the key characters in each book Full profiles of each character with their amazing myths Backmatter includes constellation chart glossary further reading and series index PLUS loads of illustrations photos charts and maps
